

# PR® 15D

INNOVATION. AMPLIFIED.™

## OVERVIEW

The PR 15D features a bi-amped power section that provides 150 watts power for the woofer and 50 watts power for the compression driver tweeter, both with Peavey-exclusive DDT™ compression. Featuring a 15" heavy duty woofer and the RX™14 compression driver, the PR 15D provides an XLR and 1/4" phone combo jack, with mic/line switchable level, balanced input with volume control.

## FEATURES
