

VB™ 810

OVERVIEW

Designed for heavy-duty touring, the VB-810 cabinet is the logical choice for a companion cabinet for either the Peavey VB-3 bass head or Tour Series bass head. With 4 separate 2x10" sound chambers and speakers designed specifically for this cabinet, the low end will blow you away. 800 watts RMS power handling, heavy duty hardware and castors and durable black GatorHyde® for a lifetime of abuse. The cabinet features a switchless input cup that facilitates stereo or mono operation, depending on which jacks you plug into. A mean black look and black cloth grill covering completes the package.
