

SSE™ 12M System Black

INNOVATION. AMPLIFIED.™

OVERVIEW

The SSE™ 12M is a new low-profile monitor enclosure featuring high power ratings with custom components, a sleek look and a unique, snap-in metal grille. The SSE™ 12M is a full-range, two-way system featuring the highly acclaimed Peavey 14XT titanium compression driver with the diverse Sound Guard IV tweeter protection network and Peavey Scorpion Pro 1200+ 12" woofer with 2.5" (64 mm) voice coil for a smooth response. The SSE™ 12M is rated at 500 Watts program and 1000 Watts peak. This lightweight speaker system may be placed on stage at angles of either 30° or 45° and is ideal for smaller venues where stage space is at a premium. Connections are made using a four-pin Neutrik® Speakon® or a paralleled two-position terminal block for additional cabinets. The SSE™ 12M is available in black and off-white finishes.
