

Cargo™ High Gloss Charcoal Carbon Fiber Acoustic Guitar

OVERVIEW

A travel size instrument that sounds like a full size guitar? Impossible! Our Cargo is comfortable to play anywhere, from the forests of Oregon to the foothills of the Catskill mountains, and even in your favorite armchair. Finely appointed and incredibly durable, the Cargo is ready when you are. It easily fits airline overheads or anywhere space is tight. It's a portable guitar with the playability, sound and satisfaction of a full size guitar.
