

Classic® 30 112

OVERVIEW

Revered by blues, country and rock players alike, these true all-tube amps span the tonal landscape from vintage to contemporary with ease. These amps are drenched in the tone that can only come from the combination of three 12AX7 and four EL84 tubes. Add features like 3-band EQ, footswitchable dual channels, footswitchable boost and reverb and you have one of the most versatile amplifiers on the market. The Classic 30 now ships with the all new Celestion Midnight 60 12" speaker! Classic looks, classic tone, Classic 30!
