

SSE™ 26 White Speaker System

OVERVIEW

The SSE™ 26 is a two-way system featuring the highly acclaimed Peavey 14XT titanium compression driver with a Sound Guard IV tweeter protection network and two maximum-performance 6.5" woofers. It is rated at 300 Watts program and 600 Watts peak. This lightweight speaker system is ideal for smaller venues where space is at a premium. Connections include a four-pin Neutrik® Speakon® or a paralleled two-position terminal block for additional cabinets. The SSE™ Series is available in black and off-white finishes.
