

Impulse® 8c - Black Weather-Resistant Loudspeaker

OVERVIEW

The Impulse® 8c two-way speaker system is a lightweight-yet-rugged molded sound reinforcement enclosure. Designed for install applications, these weather resistant speakers are ideal for music playback or speech. These units are compatible with 100v, 70v or standard 8 ohm inputs. For 100v, 70v transformer operation there are selectable power levels. For 100v (70v) settings, there is a 30W(15W), 20W(10W), 10W(5W), and 5W(2.5W) tap selection.
