

Impulse® 652S (Pair)

OVERVIEW

This magnetic shielded, all-weather 2-way speaker system is excellent as a video monitor and is perfect for any application from foreground music to speech reinforcement. The Impulse® 652S has a hi-fi sound character with great clarity which is ideal for background music systems in bars, taverns, arenas, lounges, arcades or anywhere multi-channel or multi-speaker sound systems are required. This speaker utilizes a 6 1/2 inch high compliance woofer and a 19 mm titanium tweeter and will provide up to 110 dB SPL and handle up to 350 watts program. Its trapezoidal high impact polypropylene cabinet is nearly indestructible. A perforated aluminum grille protects the weather-resistant drivers. With 12 threaded inserts and optional mounting hardware, this speaker can be wall or ceiling mounted, flown or used in arrays. It is available only in black and is sold in pairs.
